

REMARKS

The indication that claims 16-23 include patentable subject matter is acknowledged with thanks.

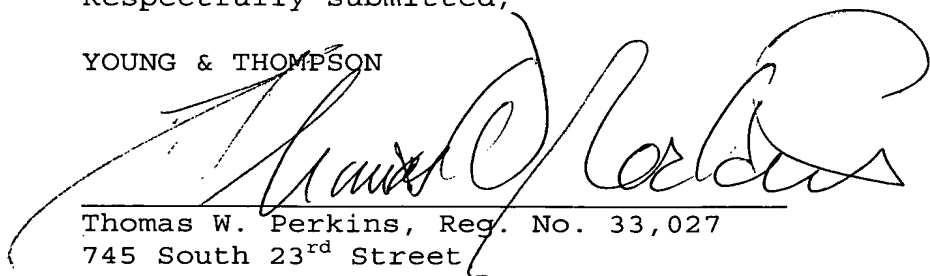

Claims 16-23 were rejected under §112, second paragraph, and have been amended as to form bearing in mind the telephone interview with Examiner Epps on January 22, 2008. During the telephone interview, it was agreed that the rejection would be overcome by amending the claims to delete the reference to the plate. This has been done, and reconsideration and withdrawal of the rejection are respectfully requested.

In view of the present amendment, it is believed that the present application has been placed in condition for allowance. Reconsideration and allowance are respectfully requested.

The Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 25-0120 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17.

Respectfully submitted,

YOUNG & THOMPSON
